Date: 22/1/2026

Cathy Baker – Resume

I am a Cape Town–born professional, having spent most of my life in the city, with a few years spent living north of the Vaal. I attended Rustenburg Girls' High School in Rondebosch and went on to complete a B.Com degree, followed later by a postgraduate qualification in Taxation.

I began my professional career with the De Beers Group in Cape Town, where I worked for 23 years. It was during this time that I took up golf through the company's remote golf club, playing monthly at various courses around Cape Town. I later became a member of Devonvale Golf Club.

In 2009, I relocated to the Southern Peninsula and joined Clovelly Country Club. Due to work commitments, I was unable to play regularly and allowed my membership to lapse. Once my two sons had left home, I had more time to pursue personal interests and rejoined Clovelly in 2021.

I have two sons, aged 30 and 27. My eldest son is based in the United Kingdom, while my youngest lives in Somerset West.

After relocating to the Southern Peninsula, my partner and I purchased a real estate franchise. I soon realised that this was not the right fit for me and subsequently transitioned into my current role as Financial Manager and Congress Manager for the Radiological Society of South Africa.

In addition to my professional roles, I have extensive experience in financial oversight and governance. I managed the finances for the De Beers Diamond Club, a social organisation that ran monthly draws and hosted social events. I also served as Treasurer on my sons' primary school governing body for 10 years.
