I, ROBERT PILKINGTON, accept the above nomination.

Signature: [Signature]

Date:

Resume of Rob Pilkington

Personal:

- Born 21 Dec 1962
- Married for 35 years to Julie and we had 2 Sons

Professional:

- Spent 10 years with Ernst and Young where I qualified as a Chartered Accountant (South Africa) in 1989
- Left Ernst and Young in 1995 to join Diageo PLC , a UK listed company which is the largest Spirits drinks company in the world with famous brands such as Guinness, Johnnie Walker, Bells, J&B, Smirnoff , Baileys etc and is currently regarded as the Scotch company in the world. I spent almost 23 years with the company in various Financial and Leadership roles . I spent the last almost 10 years in roles in West and East Africa being 4 years as the CFO for Guinness Ghana Ltd and 5 ½ years in Kenya as the GM setting up and running a shared service centre for the Diageo Africa region as I migrated all of our various Africa country financial , sales and procurement functions under one roof in Nairobi
- I am currently the CFO for an NGO - Focused Conservations – that specialises in combatting illicit wildlife trading through the gathering of intelligence to convict senior members of illicit wildlife gangs, as well as building crime fighting units in East Africa.

I have been a member of Clovelly for almost 25. I was the vice captain from 2006 to 2008, when I left a couple of months before taking on the captaincy due to the decision to further my career with Diageo and moving to West Africa. I have represented Clovelly Golf Club in the leagues during my years with the club.

I have currently served the last 2 years as part of the governing body and directly before that as a men's golf committee member. Clovelly has always remained my club of choice where I believe we have not only the best course in Cape Town but more importantly the best camaraderie and spirit that makes Clovelly a great place to play golf and spend time with friends.
