### **Junior Golf Portfolio**

A big shout out to the members of Clovelly for helping the growing talent pool of Junior Golfers to feel that they can come and practice and play to improve their games at our beautiful golf course. We have seen a tremendous growth in the quantity and quality of golf being played by our Junior Members.

This portfolio is all about creating opportunities for the competing youngsters to have more opportunities to do so and for the beginners to find their feet and learn how to play this game.

We are fortunate to have some amazing coaching structures at our club and we celebrate the work done by Michell Golf. The Management and Governing Body of Clovelly are supportive of growing Junior Golf and we are seeing the value of this approach.
