

YOUR WEDDING AT

Clovelly Country Club

Welcome...

...and congratulations on your engagement!

Thank you for considering Clovelly Country Club as a venue for your special day. While making this very important decision, please take note of the below 'nitty grittys';

We can accommodate a maximum of 120 people.

Venue hire includes all staff and you are welcome to have both your ceremony and reception here. You may use our linen, crockery, tables, chairs, and cutlery.

We do not provide a wedding planner and the set-up, while assisted, is the wedding party's responsibility.

Our liquor license allows us to serve alcohol until 23:00. The last round is called at 22:30.

We are in a residential neighborhood and noise levels cannot be excessive.

As a golf club, our members are our priority and we cannot impact them negatively.

The premises closes at 24:00

Catering...

We have a variety of delicious menus to choose from!

These include breakfast buffets, braai options, burger and taco bars, classy plated meals, three-course buffets, pizzas, platters, canapes, and more.

Please note that there is a R5000 fee charged for wedding parties who wish to bring in their own caterer. Use of the kitchen will be shared with our own team who have other daily requirements.

We would love to play a part in
your special day!
